Dogs on School Site

We would like to take this opportunity to remind all parents, carers and visitors to our school that dogs are not allowed on site.

Sickness and Diarrhoea

If your child becomes unwell with sickness and/or diarrhoea they cannot return to school until 48 hours has passed since their last episode of illness, unless the office has medical evidence confirming an earlier return. Although we understand this can be frustrating as your child may otherwise seem well it is essential to help prevent outbreaks spreading through classes.

Breaktime Snacks

Within our school, we aim to promote healthy eating and we would like to take this opportunity to remind our parents and carers that following are not permitted as a break time snack:

- crisps
- sweets
- chocolate biscuits
- nuts

Examples of snacks that can be eaten at break time:

- Any choice of fruit
- Any vegetable i.e, carrot sticks, cucumber, pepper sticks
- breadsticks, crackers or rice cakes
- cereal bars

We do not want children to be eating their lunch at break time. Please provide your child with an additional break time snack. If you have any queries, please speak to your child's class teacher.

Absence During School Time

We would like to take this opportunity to remind parents and carers who wish to take their child out of school during the school term that an absence request form needs to be completed and given to the office before the absence. Requests cannot always be authorised; however, they are looked at on a case-by-case basis. It is important that we as a school know where children are each day that they are absent for safeguarding reasons, as well as to monitor each child's attendance and their sickness and absence records.

If a child is absence from school for sickness immediately before or after a holiday absence you will be asked to provide confirmation of you holiday dates to ensure the correct processes have been followed. If we have reason to suspect that you have taken an unauthorised absence, we will continue to follow Hampshire County Council's procedures of a warning letter, followed by a Fixed Penalty Notice. Please read our attendance policy which can be found on our website for more information.

Health & Safety

Please can we remind all parents we are a **NUT FREE** school, this includes spreads in sandwiches, for example, **Nutella** and snack bars that the children bring in at break time. There are children in school with severe nut allergies so we ask that you ensure everyone in your family who makes packed lunches are aware.

Parking/driving up School Lane - Please be considerate of our neighbours when parking before and after school to collect your child/children. **Please follow the Highway Code and remember not to park on double yellow lines or zig zag white lines.** School Lane is for access for parents/carers who have been issued a permit (even when it is wet).
