Dear Parents and Guardians,

The summer term at Freegrounds is well underway and we're looking forward to putting on a fantastic concert performed by our bands in July. As we approach the end of the academic year and say goodbye to our Year 6's, we have some spaces available starting in September for Vocals, Electric Guitar, Bass Guitar, Drums & Keyboard.

These places are open to all current Year 3, 4 and 5's.

If you would like to sign up for a place, please visit www.rock2thebeat.org.uk/signup to fill in the form, and we will be in touch soon to offer a place if there is one available. The lessons take place during the school day on Wednesday. Spaces are offered on a first come, first serve basis and so if there is not a space for the selected instrument, your child will be added to a waiting list for this instrument until a space becomes available.

"Rock 2 the Beat"

Our aim is to deliver expert tuition for children in contemporary Rock and Pop music, focusing on both individual skills and playing within an ensemble. The instruments taught as part of the project are electric guitar, bass guitar, keyboard, drums and voice. Teaching is via a mix of small group skills-based lessons and whole band sessions. Alongside this, a comprehensive set of resources are available to support learning outside of the sessions, which include song music, instructional videos, technical exercises and backing tracks to practise along to.

The programme is delivered by two experienced HMS teachers who have extensive experience not only in instrumental tuition but also in performance.

Rock 2 the Beat is delivered on a term-by-term basis with a performance at the end of each one, giving the pupils the chance to showcase everything they have learnt to their peers, friends and family.

The cost of Rock 2 the Beat is £25.75 per month, which includes a minimum of 30 lessons per year, an instrument to take home and practise with and 24/7 access to all of the online resources.
