

WE DELETE BLOOD CANCER

You could be a lifesaver!

Join us on Saturday 16 November, 10am - 4pm

Ten year old Edward was diagnosed with aplastic anaemia this year. Melissa, Edward's mum, says "As a mum and dad we are programmed to fix things for our children but this isn't something we can do this time - my heart breaks a little more each day."

"The only known cure is a stem cell transplant but there is not a perfect match on the register currently. We need the generosity and selflessness act of a stranger to sign up."

Come and register. It's a three minute cheek swab

Date

16 November 2024

Location

St John's Church,
76 St John's Road, Hedge End,
Southampton, SO30 4AF

Time

10am-4pm
