### **Lunchtime supervisor Vacancy**

We have a vacancy available for a lunchtime supervisor, this post is for 5 hours a week, term time only. If you are interested in applying or would like more information, please contact the school office.

### **Parent Code of Conduct**

Please follow this link to our parent code of conduct policy, each year this is sent out as a reminder to our parents and carers, please take the time to read it.

### **Reading volunteers**

We are looking for more parents, carers and family members to join our team of wonderful reading volunteers this year.

If you are able to offer a little time each week to come and listen to some of our children read, we'd love to hear from you.

Fill in the Google form below and we'll be in touch.

### **Fidget Toys**

We would like to request that children do not bring fidget toys into school. They can be a distraction in class with some children bringing in a selection of fidget toys that are being shared round their peers and being taken outside at break/lunch times. For the majority of children, these are not needed in the classroom and, as the name suggests, they are used mainly as toys and are not supporting concentration or focus.

### **Fidget Tools**

In school, there will be a very small number of children who have been identified as requiring a small fidget tool or other strategy to help them concentrate and regulate themselves better. These children are known to the SENCO and the school will provide something if required which best meets their need. We use specific fidgets as recommended by occupational therapists and they are used as a 'tool' to support sensory regulation. If they don't appear to be supporting the child then another strategy will be used. Teachers also use a range of strategies to support regulation such as giving the class a 'moving minute' or a 'mindful minute' when needed from our Trick Box programme. Thank you for your support on this.

### **Aspens Lunches**

As a reminder, lunches need to be booked by 8.30am each morning. If your child does not have a lunch the office will make contact with you to request a packed lunch is brought in. If you no longer require a lunch that you have booked this also needs to be cancelled by yourself by 8.30am. Lunches are bookable via <https://select.aspens-services.com/>

### **Dogs on School Site**

We would like to take this opportunity to remind all parents, carers and visitors to our school that dogs are not allowed on site.

### **Supporting DKMS**

One of our pupils has been diagnosed with Aplastic Anemia (bone marrow failure), unfortunately there is currently no perfect match worldwide on the donor register to treat their diagnosis. As a school we would like to help spread the word for the need of more blood and bone marrow donors. Please click the links below for more information.

### **Jewellery Reminder**

- No jewellery should be worn in school unless there are particular religious or cultural reasons, this includes bracelets that may have been worn over the summer, children will be asked to remove them.
- Children with pierced ears need to wear **small studs only** and these will need to be removed or covered over with micropore tape during PE lessons.
- Make-up, nail varnish and fake tattoos are not allowed.
- Watches are allowed.

### **Water Bottles**

Please can you ensure your child comes to school each day with a reusable water bottle that is of average size. We have seen some large water bottles in school this week and unfortunately, they do not fit into the carriers

### **Sickness and Diarrhoea**

We have seen an increase in sickness and diarrhoea in the school recently. If your child becomes unwell with sickness and/or diarrhoea they cannot return to school until 48 hours has passed since their last episode of illness, unless the office has medical evidence confirming an earlier return. Although we understand this can be frustrating as your child may otherwise seem well it is essential to help prevent outbreaks spreading through classes.

### **After School Clubs – Available to book for the autumn Term**

### **Absence During School Time**

We would like to take this opportunity to remind parents and carers who wish to take their child out of school during the school term that an absence request form needs to be completed and given to the office before the absence. Requests cannot always be authorised; however, they are looked at on a case-by-case basis. It is important that we as a school know where children are each day that they are absent for safeguarding reasons, as well as to monitor each child's attendance and their sickness and absence records.

If a child is absence from school for sickness immediately before or after a holiday absence you will be asked to provide confirmation of you holiday dates to ensure the correct processes have been followed. If we have reason to suspect that you have taken an unauthorised absence, we

will continue to follow Hampshire County Council's procedures of a warning letter, followed by a Fixed Penalty Notice. Please read our attendance policy which can be found on our website for more information.

### **Health & Safety**

Please can we remind all parents we are a **NUT FREE** school, this includes spreads in sandwiches, for example, **Nutella** and snack bars that the children bring in at break time. There are children in school with severe nut allergies so we ask that you ensure everyone in your family who makes packed lunches are aware.

**Parking/driving up School Lane** - Please be considerate of our neighbours when parking before and after school to collect your child/children. **Please follow the Highway Code and remember not to park on double yellow lines or zig zag white lines.** School Lane is for access for parents/carers who have been issued a permit (even when it is wet).
