Dear Parents/Carers

Parent/Carer Behaviour Information Online Session - 3rd February at 7.30pm

Please find attached a letter inviting you to an online one-hour session introducing you to our new behaviour approach we are implementing across the whole school.

We are hoping that someone from every family in our school will be able to attend this online meeting. We have chosen to make it a virtual session in the hope that this makes it more accessible and the session will be led by Leslea Markwick who works for Changing Chances who created the Empowerment Approach.

Getting behaviour right for our children underpins all that we do. When children feel better they do better.

Implementing the Empowerment Approach at Freegrounds Junior school is one of the school's main priority areas this year and we feel passionately that this approach is right for our children.

Please find the link below to the online zoom session link as well as the google docs sign up sheet, please complete the google docs sheet if you are able to attend the online session.
