Friday 14th September 2018

Dear Parents/Carers,

We are excited to announce we are expanding our Year 3 trial account on Twitter to now include all year groups. All school tweets will be posted through the school account.

Our account name is **@Freegroundsjun**

We hope for the account to have a range of positive impacts. It will give us a great opportunity to share some of the brilliant learning the children do every day. It will also aim to support communication between home and school by sharing important messages and news. It will not replace other forms of school communication but will run alongside them.

As standard policy we will not be including pictures of children's faces on the tweets. If there are special circumstances when we aim to take a picture of a child we will seek parental permission before posting online.

In accordance with Twitter's own policy, as a public account we are unable to control comments and retweets. Therefore, we are asking parents to support us in creating a positive and celebratory account. If there are any issues or concerns, we would ask for you to speak to us directly and we will resolve these issues as best we can rather than communicating through social media.

A copy of Freeground's Twitter Use policy is available for everyone on our website.

Yours sincerely

Mr S Bingley

Year 6 Learning & Progress Leader
