

## Curriculum Intent, Implementation and Impact

<b>Intent</b>	At Freerounds we...	<b>ASPIRE</b> -to aim high	<b>BELIEVE</b> -in who we are	<b>ACHIEVE</b> -beyond our dreams
	We want to enable all children to be...	Aspirational citizens who strive to be the best they can be and make a positive contribution to society.	Confident individuals who are able to live happy, safe and healthy – both mentally and physically- lives.	Successful learners who acquire the knowledge, skills and positive learning behaviours they need to enable them to live fulfilling lives.

<b>Implementation</b>	The drivers for our curriculum are...	<b>Positive Mental Health and Wellbeing</b> Trick Box Circle Time and Time to Talk Regular PSHE lessons E-safety lessons Range of pupil voice roles Family and child support worker ELSA and FIEPs Positive behaviour policy		<b>Learning Outdoors</b> Topic links to utilise outdoor learning Grounds project Eco Reps School grounds Jobs Curriculum days		<b>Celebrating the diversity of Britain</b> Regular RE and PSHE lessons Assemblies Topic links to teach children and celebrate diversity MFL Curriculum days		
	The learning behaviours we aim to develop are...	<b>Teamwork</b> The ability to learn from and with others, by listening, encouraging and communicating.	<b>Independence</b> Being self-motivated to take charge of our own learning.	<b>Resilience</b> Understanding that errors and challenges lead to progress and the ability to keep going when things get challenging.	<b>Reflection</b> The ability to step back from a situation to think and learn from personal experiences, feelings, beliefs and attitudes.	<b>Creativity</b> Using imagination and inventiveness to create something original as well as combining ideas and knowledge to solve problems.	<b>Critical Thinking</b> Challenge by asking curious and inquisitive questions leading to a deeper and better understanding.	
	We deliver our curriculum through...	Daily Maths and English	Half termly science, PE, PSHE, RE and MFL units		Half termly cross curricular topics		Home Learning Projects	
	We promote a safeguarding culture through...	Relationship and Sex Education	Online Safety		Anti-bullying Anti-racism	Fundamental British Values		Safe environment to debate and challenge
Sequential teaching of skills and knowledge	Blocked skills and knowledge which are revisited		Meaningful cross curricular links		Regular retrieval tasks to support long-term memory.			

<b>Impact</b>	We evaluate our impact through...	Lesson monitoring	Pupil conferencing	Work samples	Assessments	Governor monitoring	Pupil progress meetings
	We continually strive to improve through...	School Improvement Plan	Pupil Voice Involving pupils in changes	Subject Leaders Action plans linked to the SIP	Year Leaders Monitoring	Mentoring and coaching Improving the quality of teaching and learning	Parental feedback
